

BICYCLE DISTRIBUTION PROJECT

Two wheels. More possibilities.

Help people reach work, markets and essential services through Zwab's bicycle distribution project.

EVERYDAY JOURNEYS. A PRACTICAL RESPONSE.

Work, markets and essential services all require a way to reach them. Where transport is difficult, a bicycle can give someone a practical means to travel. Zwab's project supports mobility as part of its economic empowerment work.

BE PART OF REACHING OUT

Your contribution can help provide a bicycle to someone facing transport challenges. Give towards a practical means of reaching the opportunities and services that matter.

A bicycle. A practical way forward.

Bicycles can help people carry agricultural produce to markets, travel to work and conduct small businesses. Support a useful asset for daily life.

HELP CONNECT EFFORT WITH OPPORTUNITY

A bicycle can support both movement and earning. For someone taking produce to market or travelling to work, mobility is part of a livelihood. Zwab's bicycle project gives donors a direct way to support that practical need.

GIVE TOWARDS GREATER MOBILITY

Help Zwab provide bicycles to vulnerable individuals. Donate towards mobility that can support work, small businesses and everyday journeys.
