

CARE THAT OPENS DOORS

Food. Learning. Belonging.

Support for vulnerable children, orphanages and the schools that help them learn.

Zwab team members prepare a communal meal.

Food today. Learning tomorrow.

Food and school support meet two everyday needs in a child's life. Zwab brings both into its work with vulnerable children, orphanages and schools.

Students gather outdoors with Zwab team members.

FOOD FOR TODAY. LEARNING FOR WHAT COMES NEXT.

Your support can help put food on the table and learning materials in children's hands. Zwab provides food packages and prepared meals, alongside school supplies and improvements to learning spaces.

"REACHING OUT" IN PRACTICE

In these pages, team members prepare food, children share meals, and students gather with an exercise book. Join this practical work: contribute through Zwab to food assistance or school support.

Learning starts with the right tools and spaces.

Zwab's education work supports vulnerable students, schools and orphanages with scholastic materials and improvements to learning environments.

01

Learning materials

Scholastic support may include exercise books, pens, pencils, school bags and mathematical sets.

02

Better learning spaces

Zwab supports classroom construction, repair, sanitation improvements and rehabilitation of learning spaces.

03

School partnerships

Zwab's school programmes bring support to vulnerable students, schools and orphanages. Your contribution can help this work continue.

Give learners something practical.

An exercise book gives a learner room to write and practise. School supplies and improvements to classrooms and sanitation are practical ways to support children's education through Zwab.
